JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

within this Commonwealth said clerk shall forthwith forward to the clerk thereof a copy of such certificate, who shall record the same.

SEC. 40. No person having the care of a cemetery or burial ground shall permit a human body to be buried therein, or such body or the ashes thereof to be removed therefrom, until the permit for such burial or removal has been delivered to him, nor permit the ashes of a human body to be buried therein until there has been delivered to him a certificate that the burial permit and the certificate of the medical examiner prerequisite to the cremating of said body have been duly presented.

SEC. 41. An undertaker shall not bury the ashes of a human body until he has received from the person having the charge of the crematory a certificate that the burial permit and the certificate of the medical examiner prerequisite to the cremating of said body have been duly presented.

SEC. 42. Whoever violates any of the provisions of the four preceding sections shall forfeit not more than \$50.

REG. 13. The remains of any person dying of diphtheria, membranous croup, scarlet fever, typhus fever, smallpox, or cholera shall at once be placed in a tight or sealed coffin, and shall not thereafter be exposed to view or disturbed except for burial, and shall be buried within 24 hours, and the funeral shall be strictly private, and no undertaker or other person shall be permitted to take or to use in any house where a death from any of said diseases shall have occurred any bier or stand with draperies which is to be used at any other funeral.

REG. 14. In case of death from any disease named in regulation 13, no public funeral shall be held in the house where death occurred or elsewhere, except in accordance with permit from the board of health.

REG. 15. In all cases of death from any disease named in regulation 13, where burial is contemplated beyond the city limits, the undertaker shall apply at once for the necessary permit and certificate, and remove the body immediately from the city.

REG. 16. All undertakers or persons in charge of the remains of any person passing through the city shall, whenever requested, exhibit the certificate required by section 43 of chapter 78 of the Revised Laws. (See below.)

Extract from Revised Laws, chapter 78, section 43:

SEC. 43. No common carrier or other person shall convey or cause to be conveyed, through or from any city or town in this Commonwealth, the body of any person who has died of smallpox, scarlet fever, diphtheria or typhus fever until such body has been so incased and prepared as to preclude any danger of contagion or infection by its transportation; and no city or town clerk or clerk or agent of the board of health shall give a permit for the removal of such body until he has received from the board of health of the city or from the selectmen of the town in which the death occurred a certificate stating the cause of death and that said body has been prepared in the manner prescribed in this section, which certificate shall be delivered to the agent or person who receives the body. Whoever violates the provisions of this section shall forfeit not more than \$25.

REG. 17. No person shall inter or cause to be interred the body of any dead person in a grave less than 3 feet deep from the surface of the ground surrounding the grave to the top of the coffin.

REG. 18. No person shall bury or inter, or cause to be buried or interred, the body of any dead person at any other time of the day than between sunrise and sunset except in accordance with a permit from the board of health. No person shall open a grave or remove the body of a dead person or its remains from a grave or tomb, except in accordance with a permit from the board of health.

REG. 19. The superintendent, sexton, or other person having charge of any burying ground or crematory shall not inter, disinter, or cremate within the city limits any human body until a permit has been given as required by law. He shall keep a separate record of each burial when the permit states the cause of death to be any disease named in regulation 13, which record shall be open to examination by the board of health.

REG. 20. Any burial permit issued by any officer outside this Commonwealth must be filed at the office of this board, and a permit from this board applied for in all cases where burial is contemplated within the city limits.

REG. 21. Any person receiving burial permits from the board of health shall return the same to the office of said board immediately on their failure to use them for the purpose for which they were procured.—[Regulations board of health, adopted Mar. 22, 1910.]

#### HOUSES AND PREMISES—CLEANLINESS AND CARE OF.

REG. 22. Said board of health shall make all contracts and regulations for the removal of house offal.

REG. 23. The owners or occupants of premises in this city shall deodorize all privies, vaults, sluice vaults, cesspools, grease traps, urinals, manure bins, stalls, garbage receptacles, or vessels of any nature used to contain or move any offensive matter, whenever ordered so to do by the board of health.

REG. 24. All henneries, dog kennels, and pens for any animals shall be kept clean and free from decaying food and from filth of any kind. The buildings and pens shall be whitewashed or disinfected and put in such condition as may be ordered by the board of health.

Extract from revised laws, chapter 75, section 71:

SEC. 71. The board, if satisfied upon examination that a building, tenement, room, or cellar in its town which is occupied as a dwelling place has become, by reason of the number of occupants, uncleanness, or other cause, unfit for such purpose, and is liable to become a nuisance or to be a cause of sickness to the occupants or to the public, may issue a notice in writing to such occupants or any of them, requiring the premises to be put into a cleanly condition, or to be vacated within such time as the board may deem reasonable. If the persons so notified neglect or refuse to comply with the terms of the notice, the board may cause the premises to be properly cleansed at the expense of the owner, or may remove the occupants forcibly and close up the premises, which shall not again be occupied as a dwelling place without its permission in writing. If the owner thereafter occupies or knowingly permits the same to be occupied without such permission in writing, he shall forfeit not less than \$10 nor more than \$50.

REG. 25. In considering the number of occupants in accordance with the foregoing section, this board will consider a sleeping room to be overcrowded unless there should be at least 400 cubic feet of air space for each inhabitant occupying the same. [Regulation board of health, adopted Mar. 22, 1910.]

#### UNWHOLESOME FOOD—SALE OF.

REG. 26. No person shall sell or offer for sale, or have in his possession with intent to sell, in this city, any unwholesome, decayed, or stale fruit, vegetables, or provisions of any kind whatever, or any tainted, diseased, corrupt, decayed, or unwholesome meat or fish, or any adulterated article of food. [Regulation board of health, adopted Mar. 22, 1910.]

#### PROTECTION OF FOODSTUFFS.

REG. 27. Whereas the exposure of foodstuffs to street dust, insects, and animals is liable to infect and corrupt such foodstuffs, it is hereby ordered that meat, poultry, game, fish, sea food, dried or preserved fruits, dates, figs, cherries, grapes, berries, cut fruits, cut melons, cracked nuts or nut meats, candies, maple sugar, confectionery, or bakers' products shall not be kept, sold, or offered for sale in or near an open window or doorway, outside of a building or in any street, private way, or public place of the city of Salem, unless so covered or screened as to be protected from dust and flies or from contact with animals.

No article intended to be used as food shall be exposed or displayed in any street or way, or in front of any place of business, unless the bottom of the box or other receptacle containing such articles is raised at least 24 inches above the sidewalk, platform, or landing upon which such receptacle rests.

Meats or other products, as named above, shall not be carried through any street, private way, or public place unless properly protected or screened from dust and flies. Every person being the occupant or lessee of any room, stall, building, or place where any meat, poultry, game, fish, sea food, milk, vegetables, butter, fruit, confectionery, bakers' products, or other articles intended for human food shall be kept, stored, sold, or offered for sale, shall maintain such room, stall, building, or place and its appurtenances in a clean and wholesome condition. Every peddler of foodstuffs from wagons or carts, in addition to the covering or screen provided for in this regulation shall keep in his wagon or cart a suitable receptacle for the wastes of his business, such wastes to be disposed of in a manner that shall not create a nuisance.

No person or corporation, individually or by his agents, servants, or employees, shall transport meat or poultry of any description through the public streets or ways of the city of Salem except in wagons or vehicles which have been thoroughly washed at least once in every 24 hours. [Regulation board of health, adopted Mar. 22, 1910.]

#### MILK—REGULATION OF THE CARE AND SALE.

REG. 28, ART. 1, SEC. 1. All persons in the city of Salem engaged in the production of milk for sale, or in the business of selling, delivering, or distributing milk in said city, shall annually, on the 1st day of May, or within 30 days thereafter, make written application to the inspector of milk, on forms prescribed by the board of health for a license.

SEC. 2. No person in said city shall engage in the business of producing milk for sale, or in the sale or distribution of milk in the city of Salem, without a license so to do, under these regulations and such other conditions as the board of health may impose; said license to be revoked if the licensee fails to comply with the conditions of his license or the regulations of this board.

SEC. 3. The conditions under which every cow is kept whose milk is brought into the city of Salem, or kept, delivered, distributed, sold, or offered for sale in said city, shall be made known by the licensee to the inspector of milk in such detail as the board of health may require, and shall be approved by said board, and no milk except
